PRAYER guide

September 2026

Salt & Light

Check out Neil
Basingthwaite's
Prayer Guide video

"You are the salt of the earth...You are the light of the world."
Matt. 5:13, 14

A lot of things are kicking off. In our churches, fall ministries are kicking off. School is kicking off. American football is kicking off. Most of us care about at least one of those things. Some of us care about all of them.

We often call people to pray for all of the great things that are starting up in our churches. For those who are stepping up to lead youth, or help in kid's ministry, or Sunday School. We definitely should pray for them all!

But I wonder if we pray for those who are stepping into their respective mission fields. Our school teachers are heading back to school this fall. They need our prayers as well. They have incredible opportunities to be salt and light as they minister through the ways that they teach. But what if we didn't stop there? What if we prayed for our people as they step into their vocational lives on a day-to-day basis? What about our firefighters, or police, or social workers, or retail employees, or...or...the list could go on and on. Each and every one of us has a mission field that we are stepping into. So this month, can I ask you to join me in **praying** that our EFCC people everywhere would lift each other up in the task of being salt and light in the midst of our workplaces.

Dan Carlaw
CPD Superintendent

Please **pray** for our district churches as they begin their fall ministry routines. **Pray** that programs would be marked by a passion for Christ and a deep commitment to meaningful discipleship. Please also **pray** for Mel & LaDonna Fehr as they serve as the interim pastoral couple at Grace Community Church in Whitehorse over the next two months. **Pray** for wisdom as they minister to this congregation during a season of transition.

Tim Stewart
New PD Superintendent

Thank God for our safe arrival to our new home in Calgary. Please **pray** that my family and I would settle in well and grow together in a shared vision for this ministry, as we road trip this summer to visit churches throughout the Prairie District. We also **thank** God for the six ministry leaders who are finishing their EFCC Accreditation. We have a few churches that are experiencing pastoral transitions and would appreciate your **prayers**.

CAF Chaplains

Pray for those serving as chaplains in the Canadian Armed Forces:

- **Peter Han** - Trenton, ON
- **Phil Sung** - Halifax, NS

Chris Willis - Brandon, MB
Pray for the Willises as they settle into their new home in Brandon, MB and their new church family at Carberry EFC. Brynn and Lauren will start at new schools, and Irene is considering work and volunteering. **Pray** that Chris would have wisdom as he leads the Chaplain team at CFB Shilo.

EFCC Leaders

Terry Kaufman
Leadership Catalyst

As our churches enter into a new ministry season, we want to come alongside them with Leadership Training and resources. Please **pray** for schedules and details for our Leadership Training events and wisdom in resourcing our church leaders with helpful material. **Pray** especially for the building of more peer cohorts to help our pastors in their calling.

Shaun Wick
President

Let us **pray** for our fellow churches as we prepare for the fall ministry season. **Pray** for a fruitful season of discipleship, for many opportunities to share the gospel in our communities and that many would come to know Jesus. **Pray** for our churches that are looking for Pastors - that they would not be discouraged. **Pray** for our District Conferences taking place this fall – that these gatherings would be a time of great encouragement and fellowship.

Neil Bassingthwaighe
ServeCanada Director
Pray for Neil as he works with all of our ServeCanada missionaries and gets to know our ServeBeyond missionaries better. **Pray** that he would be able to step into the added responsibilities of Interim ServeBeyond Director well. **Pray** for a number of our missionaries who are struggling with their support levels, that funds would come in and the missionaries would be encouraged.

Olivier Niyongabire
Global Outreach Evangelism Strategies (G.O.E.S)

Dear friends and ministry partners, **praise** the Lord Jesus Christ for His love and grace upon us all. I want to thank everyone who has been praying for the ministry. God has surely answered prayers, and we have seen a harvest of 134 people who came to Christ in the last outreach. We now again invite you to **pray** with us for two things: one is our upcoming training of disciple makers and the outreach that will follow in the refugee camp of Kyaka in Uganda; also, we are trusting God to raise more donors for the ministry because we do not have enough donations to cover our Ministry.

Scott & Karen Wind Vandenberg
Mexico

Please **pray** for Buen Samaritano as we face a significant financial need. Our available funds have been depleted, and at this point we do not have enough to send the full amount needed to pay our faithful staff who care for the residents each day. We are deeply grateful for their commitment. Please **pray** for God's provision, trusting with us that He knows the need and will provide in His way and timing.

Robert & Leslee Oudman
Nicaragua

We've had a few reminders lately about the risks and challenges of navigating the roads in Nicaragua. Please **pray** for safety for all of us as we mobilize to share the Good News in so many places. **Thank God** for his protection each and every day!

Stephen & Jane Wheeler
Montréal

Please **pray** for the upcoming online trainings for users of The Journey, a lingo-free walk through the Bible and encounter with the Gospel message. **Praise** for our safe move to Nashville. **Pray** as we settle in and continue ministry online in Montreal and elsewhere in North America.

Sammy Kabyemera
Uganda

Please **pray** for Sammy as he prepares for the Uganda mission trip at the end of September, that many people will hear God's Word, receive salvation, and grow in faith. **Pray** for financial provision for the ministry, for discipleship training for churches and leaders, and for opportunities to reach Muslim communities and students in schools. **Pray** also for refugees to receive food and the hope of the Gospel, and for orphans to be provided with clothing and care. Finally, **pray** for healing, strength, and comfort for those affected by Ebola in the Democratic Republic of the Congo.

Joy
Creative Access Country

Please **pray** as we fundraise for school supplies that end on September 26. **Pray** for the people in Egypt, as the situation is really hard.

Siavosh & Sophia
Ontario

We have a group of Iranian people ready for baptism. **Pray** as we run a final teaching seminar before their baptism and do this blessed service for them. Please **pray** for us as we prepare.

L & D
Creative Access Country

Please **pray** for more funding for our ministry, as we need more funding in order to keep supporting our ministry. **Pray** that God would provide either a church or a person to donate regularly. **Pray** for the growth of our Chinese Ministry; specifically, the discipleship program that has the potential to really strengthen their spiritual life. We are planning to also reach out to the local Japanese. **Pray** that more Japanese moms and kids will come to our MomCo ministry, and for the start of this new ministry to reach Japanese.
